ARTICLE 9

REDUCTION IN FORCE

In the event it becomes necessary for the Superintendent to reduce the number of administrators because of financial limitations, reasons of economy, decreases in pupil enrollment or reorganization, the procedures set forth in this Article shall govern the layoff of employees who are affected by such reduction.

A. Definitions

1. For the purpose of this Article, administrative categories shall be defined as follows:
 - a. Assistant Principal for Student Success
 - b. Assistant Principal - Middle School
 - c. Assistant Principal - Elementary
 - d. Directors
 - e. Coordinators
 - f. Supervisors
 - g. Instructional Leaders
2. The term "seniority" shall mean total years of service in a position covered by Unit B, whether such service is continuous or not, including assignments to a non- Unit B position (e.g. principal) or while on an authorized leave of absence provided for in the Agreement. In the event that there is a tie in categorical seniority between potential administrators to be laid off, seniority within Unit B shall be the determining factor. The seniority status for Unit B personnel in Unit A shall be determined in accordance with the provisions of the Unit A Contract, provided that when an administrator reenters Unit A, he/she shall carry full seniority accrued while being a member of Unit B, plus any seniority gained while being a member of Unit A.

3. In the event of a tie in Unit B seniority, the length of service in Unit A shall be the deciding factor of who is more senior. If a tie continues to exist, seniority shall be decided by a lottery.
4. In the event an administrator enters a category after lottery has established the seniority ranking of an administrator causing an additional tie in seniority the administrator who enters after the lottery shall be ranked below the ranking of the administrator whose seniority date has been previously established by a lottery.

B. Procedures for Layoff

1. Assistant Principals

In the event that layoffs are necessary in the position of Assistant Principal, Assistant Principal for Student Success shall be laid off in the inverse order of seniority as an Assistant Principal. An Assistant Principal who is laid off may replace the least senior teacher in an area where the Assistant Principal is certified. If certified in more than one (1) area, the Assistant Principal will be returned to the area of teaching he/she formerly held if there is a teacher in such area with less seniority. In the event there is no teacher with less seniority in the administrator's area, then the Superintendent shall assign the administrator to a position for which he/she is certified and there is a teacher with less seniority.

2. Assistant Principals at Middle School Level

In the event that layoffs are necessary, the Assistant Principals at the Middle School level shall be laid off in the inverse order of seniority as Assistant Principals. In the event the Assistant Principal at the Middle School level is laid off because of his/her seniority, he/she may replace the least senior teacher in an area where the Assistant Principal is certified, provided that if he/she is certified in more than one (1) area, the administrator will be returned to the area of teaching he/she formerly held if there is a teacher in such an area with less seniority and, in the event there is no teacher with less seniority in the administrator's area, then the Superintendent shall assign the administrator to a position in which he/she is certified and there is a teacher with less seniority.

3. Assistant Principals at the Elementary Level

In the event that layoffs are necessary, the Assistant Principals at the Middle School level shall be laid off in the inverse order of seniority as Assistant Principals. In the event that the Assistant Principal at the Elementary level is laid off because of his/her seniority, he/she may bump the least senior teacher in an area where the Assistant Principal is certified, provided that if he/she is certified in more than one (1) area, the administrator will be returned to the area of teaching he/she formerly held if there is a teacher in such an area with less seniority; and in the event there is no teacher with

less seniority in the administrator's area, then the Superintendent shall assign the administrator to a position in which he/she is certified and there is a teacher with less seniority.

4. Directors, Coordinators, and Instructional Leaders

In the event that layoffs are necessary in the administrative categories of Directors, Coordinators, or Instructional Leaders, the layoffs shall not be in the inverse of seniority, but shall affect the administrator whose position is reduced because of financial limitations, reason of economy, decreases in pupil enrollment, or reorganization. If a Director, Coordinator or Department Head is laid off and directly supervises a supervisor and meets the posted qualifications for the present position or has held the position of supervisor previously, then he/she may replace the Supervisor provided the Director, Coordinator, or Department Head has greater continuous Unit B seniority. In the event the administrator is laid off because of his/her seniority, he/she may replace the least senior teacher in an area where the administrator is certified, provided that if he/she is certified in more than one (1) area, the administrator will be returned to the area of teaching he/she formerly held if there is a teacher in such an area with less seniority, and in the event there is no teacher with less seniority in the administrator's area, then the Superintendent shall assign the administrator to a position in which he/she is certified and there is a teacher with less seniority.

5. Supervisors

Except for Supervisors in ESL/World Language, Secondary, or Special Education, in the event that layoffs are necessary, the Supervisors (including Chapter I Elementary Supervisor) shall be laid off in the inverse order of continuous seniority in the category of Supervisor. Supervisors in the ESL/World Language, Secondary, or Special Education areas shall be laid off in the inverse order of seniority as Supervisors in the program. In the event that a Supervisor is laid off because of his/her seniority, he/she may replace the least senior teacher in an area where the supervisor is certified, provided that if he/she is certified in more than one (1) area, the administrator will be returned to the area of teaching he/she formerly held if there is a teacher in such area with less seniority; and in the event there is no teacher with less seniority in the administrator's area, then the Superintendent shall assign the administrator to a position in which he/she is certified and there is a teacher with less seniority.

C. Reduction in Force and Recall

1. If a transfer or reassignment is caused by a reduction in force at a particular school or schools, then a list of open positions in the school system will be made available to all administrators being involuntarily transferred or reassigned. Such administrators may request the positions in order of preference to which they desire to be transferred. Administrators being involuntarily transferred or reassigned because of a reduction in

force shall have preference over those seeking voluntary transfer or reassignments, provided it is within the area of competence of the administrator and he/she is otherwise qualified for the position by educational or work experience.

2. For a period of two (2) years from the effective date a layoff commences, administrators who are laid off and have returned to Unit A shall be entitled to bid for openings in Unit B, notwithstanding their assignment to Unit A. Voluntary transfers within Unit B shall be considered first by the Superintendent and, at such time as there are no voluntary requests, administrators who are laid off shall be considered, provided it is within the area of competence of the former administrator and he/she is otherwise qualified for the position by educational or working experience or length of service.

Whenever a member of Unit B is forced into Unit A, he/she shall maintain his/her seniority in Unit B for a five (5) year period; if recalled to Unit B, he/she shall not carry his/her Unit A seniority with him/her.

D. Reinstatement of Positions

If an administrative position is abolished for any reason, and is reestablished for the following school year, the administrator who was either terminated or demoted from that position shall be reinstated to the position without loss of continuous Unit B seniority.

E. Seniority List

On October 31st of each year, the Association shall be provided with an updated seniority list of all Unit B administrators. This list shall provide the date of appointment of each Unit B administrator in regards to continuous service in Unit B and, in addition, total combined seniority in Unit B and Unit A.

F. Disciplinary Transfers

No administrator shall be involuntarily transferred for disciplinary reasons.

G. Assignments

Upon consolidation of schools and/or the opening of new schools, due weight shall be accorded to an administrators length of service, qualifications and evaluations, by the Superintendent of Schools, or his/her designee, in the staffing and reassignment of administrators.

A. Annual Sick Leave

1. Annual sick leave with full pay shall be allowed all administrators on annual salary at the rate of one and one-half (1 1/2) days for each month of service, not to exceed fifteen (15) days in any one year. Unused sick leave may be accumulated from year to year, but not in excess of the number of work days required.”

Professional employees will be allowed to use eight (8) of their fifteen (15) days per year in cases of family illness of a spouse, child, or parent living in the household. The Superintendent or the Superintendent’s designee, in the Superintendent’s/designee’s discretion, may permit an employee to use more than eight (8) family illness days in extraordinary circumstances. The decision of the Superintendent/designee is final and shall not be grievable.

2. If an administrator commenced employment in the New Bedford Public School on or before August 1, 2016 and he/she begins the school year with a maximum accumulation of sick leave and serves the entire school year, he/she shall be allowed addition sick leave accumulation above the maximum accumulation for severance pay purposes only under Paragraph F in accordance with the following formula:

0-5 sick days used – accrue 10 additional

7 sick days used – accrue 6 additional
8 sick days used – accrue 4 additional
9 sick days used – accrue 2 additional
10 sick days used – accrue 0 additional

If the amount of work days increases from the previous year, the maximum of the accrued sick leave for the purpose of severance pay would be equal to the number of required work days.

Any administrator who commenced employment in the New Bedford Public Schools on or after August 1, 2016 shall not be eligible for the above severance pay provision.

3. Unused personal days will be added to accumulated sick leave for the following school year if the professional employee does not have maximum accumulation. If an administrator is at maximum accumulation, the unused personal leave will be credited

to sick leave for buy-back purposes only.

D. Use of Sick Leave

It is specifically agreed that any administrator who does not have any accrued sick leave to his/her credit may, during any one (1) school year, use that school year's sick leave prior to its actual accrual. In the event an administrator borrows leave as provided in this paragraph, and terminates employment with the system prior to actually earning sick leave as provided in paragraph one of this Article, the administrator agrees that an amount equal to the number of used but not earned sick leave days multiplied by 1/190th for all administrators, of his/her annual basic salary will be deducted from his/her final paycheck.

E. Extended Illness Plan

The Committee agrees to provide administrators with the following extended illness plan:

2. Such administrator(s) who comply with the above requirements shall be entitled to an additional number of sick days equal to the number of actual accumulated sick days at the inception of his/her extended illness. In the event that an administrator has the maximum accumulation of 180 sick days, he/she shall be entitled to 2 full years of sick leave (380 days).
3. The rate of compensation for his/her actual accumulated sick leave shall be full pay in accordance with current Committee policy. The rate of compensation for the additional days in accordance with the extended illness plan shall be calculated in accordance with the following formula:

Actual accumulated sick
days at the inception of

Rate of Pay X extended illness _____ = Rate of pay

Total possible accumulated during extended illness sick leave since inception of employment as specified in Section 1.

4. Upon return from an extended illness, an administrator shall continue to be eligible for the extended illness plan in the following manner:

An administrator shall be entitled to additional sick days equal to the number of actual accumulated sick days since his/her return to work. Said days shall be compensated at the rate of pay calculated by multiplying his/her daily rate of pay times the ratio of actual accumulated sick days since his/her return to work.

Participation in the Sick Leave Bank shall be voluntary. Any employee who voluntarily participates in the Sick Leave Bank shall be eligible to use the Bank after using sick leave under Article 15, Section E, Extended Illness. Payment under the Sick Leave Bank shall be at the professional employee's per diem rate and the Bank will be charged one (1) full day.

2. Funding

The Sick Leave Bank will be initially funded by deducting one (1) sick day from the accumulated sick leave days of each professional employee who has agreed to participate in the Bank, and contributing such day(s) to the Bank. When the Bank is depleted to twenty (20) sick leave days, an additional assessment of one (1) day of sick leave shall be made against the sick leave account of each professional employee who has agreed to continue to participate in the Bank. A donation or assessment voluntarily made shall be considered use of a sick day under paragraph A. 2. above.

3. Granting of Days

However, not more than two (2) such visiting days may be allowed any administrator in one (1) school year, and any expenses incurred shall be paid by the administrator requesting the permission.
2. Request for permission to visit schools shall be made directly to the Superintendent of Schools at least one (1) week in advance of the anticipated absence. Notice of return to duty shall be made on the day of return in the same manner as notice of return to duty following an absence due to personal illness. EXTENDED LEAVES OF ABSENCE

A. Parental Leave and Childrearing Leave of Absence

1. An administrator who has worked in the school district for at least three (3) consecutive months is eligible for parental leave pursuant to the Massachusetts Parental Leave Act (MPLA). An eligible administrator who is seeking a parental leave shall notify the Office of Human Capital Services, in writing, as soon as possible, and shall request a leave of absence, specifying the dates requested for the beginning and end of the leave. The notification shall be provided as far in advance as possible, preferably no fewer than thirty (30) work days, but at least two (2) weeks before the leave is anticipated to begin.
2. In accordance with the MPLA, a parental leave of absence shall be eight (8) weeks, commencing at the time of the birth/adoption of the administrator's child and continuing for up to eight (8) consecutive weeks, including holidays, vacation weeks, and weeks that include no work days. An administrator who is eligible for parental leave for the birth or adoption of the administrator's child pursuant to the MPLA, may use up to eight (8) weeks of accrued sick leave to cover the unpaid portion of the parental leave under the MPLA.
3. The federal Family and Medical Leave Act (FMLA) allows an eligible employee to take up to 12 weeks of unpaid leave to care for a newborn or newly adopted child within the first year following the birth or adoption of the child. The first eight weeks of FMLA run concurrently with the eight weeks of parental leave allowed under MPLA. An employee who is eligible for FMLA leave and who has taken eight (8) weeks of MPLA may elect to take an additional four weeks of unpaid leave under FMLA. FMLA leave for the birth/adoption of a child cannot be taken on an intermittent basis.
4. An administrator who is pregnant may continue in active employment as late into the administrator's pregnancy as the administrator desires provided that the administrator is able to properly perform the required functions of the administrator's position. Administrators who experience health issues related to the pregnancy or childbirth, either prior to or following the birth of the child that require the administrator to be absent from work may use accrued sick time and such sick leave time may also count

toward the administrator's FMLA leave. Such administrator must provide adequate medical documentation to the Office of Human Capital Services.

5. During the unpaid portion of MPLA and/or FMLA, the Committee will maintain the administrator's health insurance benefits. The employee will continue to be responsible for the employee's percentage of the health insurance premiums.
6. An administrator who has been employed by the school district for at least three (3) consecutive years who wishes to extend leave beyond the period provided by the FMLA and/or MPLA, must notify the Executive Director of Human Capital Services at least ninety (90) calendar days prior to the date extended childrearing leave is to begin of the administrator's request to take an extended childrearing leave. An administrator may request an extended childrearing leave of up to one (1) work year or an extended childrearing leave of up to two (2) work years. The end of the extended childrearing leave must coincide with the start of the administrator's work year and the administrator must return to work at the start of a work year. Upon the administrator's return from extended childrearing leave, the administrator will be placed in the administrator's former position if such position is available or if such position is no longer available to a comparable position. An administrator on an extended childrearing leave cannot return during the extended childrearing leave period without the approval of the Superintendent whose decision shall be final. If the Superintendent approves the early return, the administrator will be assigned to a position in the bargaining unit but not necessarily the administrator's former position or a comparable position. Extended childrearing leave is unpaid and is without benefits.
7. If the administrator fails to return to duty on the expiration of the extended childrearing leave, the administrator will be deemed to have voluntarily resigned from the administrator's employment with the school district.
8. Upon written application of an administrator, a parental leave or childrearing leave may be extended or curtailed if unusual conditions exist, at the discretion of the Superintendent.
9. An administrator, who worked a minimum of fifty percent (50%) of the work days in the administrator's work year prior to going on parental leave or extended childrearing leave, will be given credit on the salary schedule for a full year's work upon return at the start of work year following such leave; however, the administrator will not earn sick leave while on unpaid parental or childrearing leave.

B. Leave for Family Illness

1. A leave of absence, without pay or increment, of up to one (1) year, will be granted for the purpose of caring for a sick member of an administrator's immediate family.
2. The administrator shall be reinstated to his/her former position unless the position has been eliminated; in which case, the administrator shall be assigned to as nearly

as comparable a position as possible. If the position is eliminated, then the person becomes an involuntary transfer.

C. Personal Illness

Any administrator whose personal illness extends beyond the period compensated by sick leave will be granted a leave of absence, without pay, for such time as is necessary for complete recovery from such illness not to exceed one (1) year. Upon return from such leave, every effort will be made to assure that the administrator is assigned to the same position she had before taking the leave, if available.

D. Maintenance of Rights

All benefits to which an administrator was entitled at the time his/her leave of absence commenced, including unused, accumulated sick leave, will be restored to him/her upon his/her return, provided that the administrator returns to service immediately upon expiration of his/her leave.

E. Requests for Leaves

In unusual or grave personal circumstances, or for the purpose of restoration of health, professional improvement, or special educational service, or military service other than those cases specifically covered above, an administrator may, upon the recommendation of the Superintendent and confirmation by the Committee, be granted a limited leave of absence, without pay, when such leave seems to be in the best interests of the school system as well as of the individual administrator.

F. Educational Leave

A leave of absence, without pay or increment, for one (1) school year, will be granted for the purpose of additional formal educational in a school-related area. The Superintendent of Schools shall determine whether the request is for a school-related area.

G. Leave for Federal/State Assignment

A leave of absence, without pay or increment, will be granted for one (1) school year for the purpose of permitting the administrator to accept an assignment with a federal or state educational agency.

H. Extension of Leave of Absence

All requests for extended leaves of absence will be applied for and granted, in writing.

I. Assault Leave

When a professional employee is injured as the result of an assault in the performance of

his/her duties and must be absent from school due to such injury, the School Committee shall pay the professional employee his/her full salary for the first five (5) days of absence, and the professional employee shall not suffer loss of any sick days for this period of time.

After the first five (5) day period the School Committee shall, for the period of up to twenty-one (21) days, pay the professional employee the difference of what Workers' Compensation pays and the amount the professional employee earns on a daily basis. During this period of time, the professional employee shall suffer no loss of sick days. After the twenty-one (21) day period, the School Committee shall pay the same difference in pay of what Workers' Compensation pays and what the professional employee earns on a daily basis, however, the professional employee will lose that percentage of what the School Committee pays in sick days. Example: Workers' Compensation pays 2/3, the School Committee pays 1/3, and the professional employee loses 1/3 of a sick day.

J. Family Medical Leave Act (FMLA)

1. The leave provisions set forth in other sections of this Agreement will prevail except in those instances where the FMLA provides greater benefits. Unpaid leaves of absence under the Agreement are inclusive of benefits provided under FMLA.
2. The Committee shall not require the use of personal leave or sick leave, as set forth in Articles 12 and 13 of this Agreement, as a condition of taking an FMLA leave, but, if used, said personal or sick leave shall be inclusive of benefits provided under FMLA.
3. Where both spouses are employed by the School Department, they are entitled to a combined total of twelve (12) weeks leave for: (1) birth, adoption or foster care; or (2) in order to care for a parent with a serious health condition.
4. When both spouses are employed by the School Department, each employee is entitled to a twelve (12) week leave, without counting leave time taken by the other spouse, for their own serious health condition or to care for their child.

B. Compensation

An administrator on sabbatical leave will receive no less than one half the annual salary of the administrator, including base salary, Professional Improvement Compensation and Longevity. Upon return the administrator will be given full credit on the salary schedule for the period of his/her leave and will have restored to him/her all benefits to which he/she was entitled at the time the sabbatical leave commenced, including unused, accumulated sick leave. Prior to the granting of the sabbatical leave, the professional employee shall enter into a written agreement with the Superintendent that, upon termination of such leave, he/she will return to service in the New Bedford Public Schools for a period equal to twice the length of the sabbatical leave, and that, in default of completing such service, he/she will refund the City of New Bedford an amount equal to such proportion of salary received by him/her while on said leave, as the amount of service agreed to be rendered.
